Dear Jacks:

Glad to hear from you folks again, especially at Christmas time. Hope you folks had a very Merry Christmas and sincerely hope you will have a Prosperous and Happy New Year.

We are happy to learn that "Dally" is here in Berkeley its about 15 Miles from our home, and about 5 miles from my office.

I work in the Oakland City Hall
14th & Washington St.

How long has "Dally" been at the Seminary. There is a new Lutheran Church just 2 blocks from our place but our neighbors across the St who are Lutherans dont go there maybe you folks belong to a different Synod than this one.

I am enclosing a map showing the location of the Seminary and our house, and a possible route.

Have "Dally" call us some time and

Perhaps we can get together.

Our telephone number is Sweetwood 8-6167
or if you can give me his tel. No we will
get in touch with him.

Jerome is home and goes to College of San Mateo
this is a 2-year College he will finish there this year
Where he is going next year is up to him perhaps
Santa Clara. Denis is in his 2nd year in the
Army and is stationed at Camp Irwin California
It is in the desert next to Death Valley. He is a
tank officer. He has charge of the athletic program
so he was home with the Basketball team from
Dec 1 to Dec 15 and was home again for Christmas
Vacation on Dec 21 and stayed until Jan 5th

His plans are made to take his Master Degree in Economics
in Business. Arrangements are all made to enter
graduate school @ the Univ of California.

We expect to start Building an addition to our house
this year it will probably take me 2 years to do it
myself. We are quite well and hope this finds you
as well.

Yours very truly
