Dear Walter,

I am most grateful for your very prompt and full response to my recent request for a Final Narrative Report.

The official acknowledgment will, of course, follow in due course. But I did want you to know that it was received here and appreciated - all the more so, since the project clearly ranks among our most successful, from many perspectives.

I hope it will not be too long before we have another chance to chat.

Best wishes.

Sincerely,

A handwritten signature in cursive script that reads "Harold".
