Dear Walter,

Many thanks for your
teletype message of yesterday
inviting me to hear Jan. But
Kerry this morning on campus.
I can't make it, but I
would very much like to be
there.

I appreciate your
remembering my interest and
your thoughtfulness in inviting
me.

How lucky are today's UCSB
students to have you so enriching
their lives. You shine among
the brightest of UCSB's stars.

Sincerely,

Doug
