Dr. Walter Capps
Prof. Walter Capps
1724 Santa Barbara St.
Santa Barbara, CA 93101

Dear Dr. Capps: This is to confirm our recent conversation in which you agreed to appear on KTIE-TV's Gold Coast program on Mon. Nov. 16. Please arrive at the studio at 7:00 pm. "Gold Coast" will air from 7:30 to 8:00 pm.

To reach the station, take the Rice Road exit off the Ventura Freeway, and head South, or toward the ocean and away from the hills. At the stop light take a right on Latigo. This bends and becomes Maulhardt. The station is on the right, past Jones Cable. Go to the side door to the left of the front door. Depress the button, and state your name, that you are a guest on "Gold Coast", and that you wish to be let in. This button connects you to the PA system inside the building, so you must hold it in while speaking.

You can wear anything except white or wild prints or plaids. Should there be a problem at the last minute, you can call the newsroom at 485-1707 after 5:00 pm, or the night line at 485-3426.

This is also a reminder to send any background information that I may have requested. This includes your personal biography as well as information on your subject that will be helpful to our host.

Thank you for helping KTIE-TV provide our viewers with interesting and informative entertainment.

Sincerely,

Erin Sheffield
Producer, "Gold Coast"
