Dear Mr. McGlory:

Thank you very much for your thoughtful response to the CBS "60 Minutes" segment that focused on the class that I teach.

I appreciate very much your sending me the sweat shirt, which I will wear proudly. However, I can make no promises as to any purchases by the students.

Many thanks for writing.

Sincerely,

Walter H. Capps  
Acting Director

Dear Mr. Capps,

My name is Larry McGlory of Eagle Spirit Productions; which is wholly owned and operated by veterans. We are currently undertaking a national veterans project, entitled "A Salute to the American Veteran", in an effort to raise monies for Patriotic Hall's many veteran projects.

After seeing and hearing you speak on "60 Minutes" I was refreshed in knowing that there is someone else in this great country concerned with helping the causes of our veterans and correcting the misunderstandings surrounding our vietnam veterans. In a parallel effort to support your cause we, Eagle Spirit Productions, would like to offer to you as many shirts as you would like to expose at a cost of twelve dollars and fifty cents (\$12.50) per shirt. These shirts are normally sold at a cost of twenty-one dollars and fifty cents (\$21.50), thus we are offering the sweat shirt at cost only so that your students may be able to afford to show their support of veteran causes also.

In closing, I hope you will enjoy the enclosed, free sweat shirt which depicts the courage of the American Veteran and America during it's healing process.

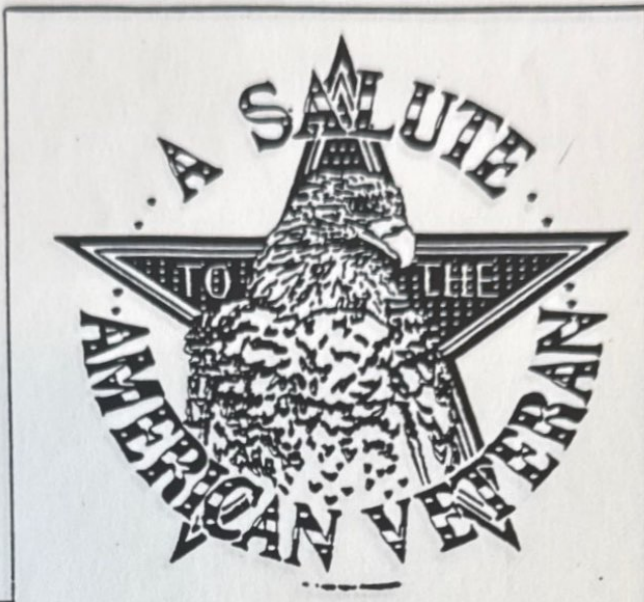

Sincerely yours,

  
LARRY McGLORY,  
Eagle Spirit Productions
