Dear Judy:

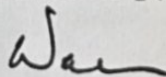

I was glad you were watching.

And thanks so much for your fine letter. I'm saving it, and will read it again (and again) when I need to.

I hope I get to know Paige this year. Encourage her to come by the office.

And when you and Stephen get down this way, let me know.

Sincerely,

Walter H. Capps

Dear Walter,

With great anticipation and excitement we watched 60 minutes on Tuesday, and I must say we were overwhelmed with the sincerity, concern and humanity demonstrated in your class. You have a rare talent to evoke in others an awareness of human condition that promotes understanding and acceptance — there was not a dry eye in our home.

I am very happy Paige will have the opportunity

Learn from you in
this class.

This was one of the
best segments of 60 minutes
we have seen.

With best wishes.

Judy and Stephen
