Dear Mrs. Payne:

Thank you very much for your thoughtful response to the CBS "60 Minutes" segment that focused on the class that I teach. And I appreciate your sharing your fine poem with me.

Many thanks for writing.

To The Professor of Vietnam 101 Classes,

Dear Sir;

I dedicate this poem I wrote to all those who fought ⁱⁿ wars and to World Peace. I want to share it with all people and also students. I saw your classes on 60 minutes and I feel that educating this new generation of students on the Vietnam War is great.

This should have been done along time ago about all wars.

My first husband served in the Korean War, died when he came home, service related, was only 24 years old.

My brother served in the Vietnam War and my son was in the Air Force and served in Thailand.

I heard what wars are really like.

I also saw the movie Hamburger Hill - I detest all man-made wars.

If the leaders of the world would have to go out and fight in combat - I'm sure all wars would cease forever.

All mothers of the world should not ^{have} to give up their sons to wars.

Wars Are Ugly.

Sincerely,
Mrs. Teri Payne

Dedicate this short poem to all those who
brought wars and To World Peace.
Will be published in The American Poetry
copyrighted Anthology - Santa Cruz, California 1987
Chief Editor John Frost.

I sent a copy to President Reagan and Mr. Gorbachev

World Peace.

Throw away man-made weapons,
and talk your problems out,
If you come to an impass,
keep talking...

Wars don't solve anything
by killing one another,
Learn to love each other,
As you would a brother.

I hope I live long enough
to see the day -

When we attain - World Peace,
and for every man-made-war,
Forever to surcease.

6000 years there has been over
15,000 wars.

Governments have failed over and
over again to maintain peace. I read this
statement in the Plain Truth Magazine.

This should have been done along time ago about all wars.

My first husband served in the Korean War, died at the age of 24, war related.

My brother served in Viet nam and my son was in the Air Force and served in Thailand as a para-medic.

I heard what wars are really like.

I also saw the movie Hamburger Hill. I detest all man-made wars.

If the leaders of the world would have to go out and fight in combat — I'm sure all wars would cease forever.

All Mothers of the World should not have to give up their sons to wars.
