Dear Betty and Walter:

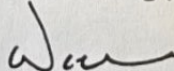

Thank you very much for your thoughtful note about the "60 Minutes" segment.

It was also most gratifying to have the congratulations of your Omaha family.

I was there recently, as you must know, and enjoyed myself thoroughly. The weather was good, and the house was busily occupied by lots of little children (and some not so little). It was a pleasant scene.

Many thanks.

Sincerely,

Walter H. Capps

Dear Walter Capps,

It was a source of great satisfaction to us to see your class on "60 Minutes" Sunday night. It appeared to be an excellent presentation, both moving and informative.

How meaningful it was, especially following the two earlier segments. Our Omaha family was also deeply impressed. What a healing mission you have undertaken.

Our deep gratitude to you, the students, and the vets.

Sincerely,  
Walter and Betty Wright
