Walter,

The attached phone call is from
Ron Paul's campaign office.

Ron Paul is running for President
on the Libertarian ticket (he is
a congressman from Houston). He
saw your 60 Minute segment, he is
very much against wars (who isn't?),
was an Airforce Flight Surgeon - but
was not in the Vietnam War.

He would like to speak to your class,
against our participation in the Vietnam
war - and all wars. I told his assistant
that you only taught the class once
a year - and that you were, to my
knowledge, fully-booked with ~~speakers~~
outside speakers.

If you're interested in having him speak,
I can call back.
