Walter,

The attached phone message is from Steve Geiger of Lompoc Federal Prison. Apparently he wants to talk with you about the possibility of having incarcerated Vietnam Vets speak in your 155 class.

I haven't called him because it occurred to me he could explain better to you than to me who ^{he} has in mind.

However, if you feel at least ^{I could} screen some of it - and it would save time - then I'll call him myself. Please let me know.
