Walter,

Steve Wright, a Vietnam veteran of two tours of duty, would like to sit in one (only) of your classes on Vietnam next Winter.

He says he is a veteran who does not wear green fatigues or old uniform back in the States, was never on drugs, was not shell-shocked.

He is not interested in talking (yet - but I suspect after the class he might approach you and ask about speaking - he wants to check the class out first, I think.)

~~xxxxxxxxxxxxxxxx~~ He speaks well. He says he taught a course on the History of Vietnam for his last six months in the service at the SeaBea base. He works in Santa Paula but his work takes him into the Santa Barbara area. He is presently taking a seminar at UCSB on Hazardous Waste Management. He intends to continue to take courses at UCSB over the next two years

* SO - question: - ~~XXXXXXXXXX~~ can he attend one session of your course? (Date and time would obviously have to be settled in December, after course schedule is out)

Let me know, & I'll call him back. Barb ~
