Dear Professor Gapps,

I am writing to thank you  
for your courageous steps you have  
taken to teach Vietnam 101.

Being a woman who lost her  
sweetheart in Vietnam, I find  
courses like yours necessary for  
the healing to begin. It has only  
been recently that I have been  
desirous of having a good relation-  
ship with another man.  
Again, thank you for teaching

such a necessary and controver-  
sial class. Perhaps the healing  
can continue for those of us  
who were left behind and an  
awareness of the senselessness  
of war.

Sincerely  
Adreyaynn Marie
