I'm going to miss
you 😊

Professor Capps,

5-6-89

This is a brief note to express my appreciation. Like I said earlier this week you have put the icing on the cake. That recommendation was more than I could have ever asked for. Thank you for a wonderful education, one that will carry me a long way in this world as well as a friend who I will always remember. You truly are the best inspiration, role model and motivator that has positively effected me my whole four years. Thank you 😊
Keep Smilin' Dave Row
