## Spying on Democracy

**Monday, February 10 / 8:00 p.m. / Free**  
**New Vic Theatre, 33 W Victoria Street, Santa Barbara**

In *Spying on Democracy*, Heidi Boghosian documents the disturbing increase in surveillance of ordinary citizens and the danger it poses to our privacy, our civil liberties, and to the future of democracy itself. She reveals how corporations and government intelligence agencies mine data from sources as diverse as surveillance cameras and unmanned drones to iris scans and medical records, while combing websites, email, phone records and social media for resale to third parties, including U.S. intelligence agencies.

Heidi Boghosian, National Lawyers Guild Executive Director, co-hosts the civil liberties radio show, “Law and Disorder,” which airs on Pacifica’s WBAI in New York and over 40 national affiliates. She is the author of *Spying on Democracy: Government Surveillance, Corporate Power and Public Resistance* (2013), *Punishing Protest: Government Tactics that Suppress Free Speech* (2007), and *The Assault on Free Speech, Public Assembly, and Dissent: A National Lawyers Guild Report on Government Violations of First Amendment Rights in the United States* (2004).

Courtesy of The Book Den, copies of *Spying on Democracy* will be available for purchase and signing at this event.
